PRINCIPLE FOUR

EMPOWER WOMEN IN THE TRANSPORT SECTOR

DEVELOP a gender-responsive workculture and combat gender clichés in the transport sector

REDUCE entrance barriers to employment for women at all levels: drivers, planners, managers, entrepreneurs, decision-makers

RECRUIT female drivers and mechanics and ensure their retention through good

working conditions and appropriate facilities

ADOPT parity representation policies in participatory and decision-making bodies

HIGHLIGHT women leaders in the transport sector as role models

With **WOMEN MOBILIZE WOMEN**, the Transformative Urban Mobility Initiative (TUMI), empowers women in transport.
